## 5) Adding some extra filters like below screenshots (after changes)

The screenshot shows the paytm website interface. On the left, a sidebar contains various filters: Departure (4:00 PM to 8:34 PM), Price (₹ 2129 to ₹ 2310), Bus Type (AC, Non AC, Seater, Semi Sleeper, Sleeper), Single Axle, Multi Axle, Duration, Bus Rating, Cancellation available, Bus Operators, Bus Brand, and Boarding Points. A green box highlights the 'Bus Operators' and 'Bus Brand' filters. A green arrow points from this box to the text 'Adding this type of filters in meebus site'. The main content area displays two search results for 'National Travels Pune' with details like departure times, routes, and seat availability.

The screenshot shows the meebus website interface. On the left, a sidebar contains various filters: BOARDING POINT, DROPPING POINT, OPERATOR, and AMENITIES (WIFI, Water Bottle, Blankets, Charging Point, Movie, Track My Bus, Emergency Contact Nu...). A green box highlights the 'BOARDING POINT' and 'DROPPING POINT' filters. A green arrow points from this box to the text 'Adding this type of filters in meebus'. The main content area displays a seat selection grid for 'Lower Deck' and 'Upper Deck' with 92 buses available. On the right, a sidebar shows boarding and dropping points, including 'Hope College' and 'Chengelpet By Pass'.
